

BOXFORD COMMUNITY COUNCIL

Following on from a very successful Fireworks evening last year, preparations are well under way for this year's event on Saturday 31st October. We are also very pleased to announce that we have three new members on our committee and discussions are already taking place about the possibility of new, exciting ventures. As with all our local organisations, new volunteers and commitment are vital for their continued existence. Our purpose is to assist local groups with grants for projects they have in mind. There are funds available, so please encourage any group you know of to apply for a grant.

Thank you.

Ward Baker

Chair
